

## 2021 ISSFAL CONGRESS – DRAFT SCHEDULE AT A GLANCE

	DAY 1 – 3 July (Saturday)						DAY 2 – 4 July (Sunday)											
9:00 AM	Executive Committee						Satellite 1 - Early Nutrition – To be confirmed											
Noon							Satellite 2 – Stabilisation of Lipids in Food Systems (SFEL)											
14:00 PM	Board of Directors						Satellite 3 - Omega-3 fatty acids and immunity (NuMega)											
18:00 PM							Welcome Reception											
	DAY 3 – 5 July (Monday)						DAY 4 – 6 July (Tuesday)						DAY 5 – 7 July (Wednesday)					
8:00																		
8:15	Opening Ceremony																	
8:30	Plenary 1						Plenary 3						Plenary 5					
8:45	N-3 Polyunsaturated Fatty Acids and the Resolution of Neuroinflammation						Application of Lipidomics to the Identification of Bioactive Lipid Mediators						Fatty Acids and Cardiovascular Disease					
9:00	Prof. Sophie Laye, France						Prof. Valerie O'Donnell, Wales						Speaker to be Confirmed					
9:15																		
9:30	Coffee Break/ Posters & Exhibits						Coffee Break/ Posters & Exhibits						Coffee Break/ Posters & Exhibits					
9:45																		
10:00	PS01 Lipids and General Nutrition		PS02 Dietary Lipids and the Microbiome		PS03 Lipids in Brain, Neurosciences and Neurological Disorders		PS09 New Frontiers in Lipidomics		PS10 Lipid Nutrition & Ageing		PS11 Lipid Structures, Emulsions and Vesicles for Controlled Physico-Chemical Stability, Digestive Fate and Metabolism		PS18 Cardiovascular diseases: FA, Lipoproteins, Inflammation, treatments, Lipids and Cardiovascular Disease Risk		PS19 SFEL Chevreur Medaille Award & Session		PS20 Skin Lipids	
10:15																		
10:30																		
10:45																		
11:00																		
11:15																		
11:30																		
11:45	Early Career Award						GOED Clinical Trial Database						Alexander Leaf Award					
12:00																		
12:15	Lunch / Posters & Exhibits						Lunch / Posters & Exhibits						Lunch / Posters & Exhibits					
12:30																		
12:45																		
13:00																		
13:15							ISSFAL Member Meeting											
13:30	Plenary 2						Plenary 4						Plenary 6					
13:45	Fatty Acid Nutrition in Pregnancy and Pregnancy Outcomes						Nutrition and Saturated Fats						Fatty Acids and Virology					
14:00	Professor Sjurdur Olsen, Denmark						Professor Arne Astrup, Denmark						Speaker to be Confirmed					
14:15																		
14:30	PS04 Maternal and Infant Lipid Nutrition – Human milk, Lipidome and Programing of lipid metabolism		PS05 Lipids & Cancer		PS06 Lipids & multnutrient interaction		PS12 Dairy fats & Health: FA and structure for IF globules		PS13 Student Presentations		PS14 Lipid Mediators - Oxylipins and Health		PS21 Extracellular Vesicles & Metabolic Diseases		PS22 Lipids, PUFA Metabolites & Viral Infection		PS23 Plant Sources of long-chain PUFA	
14:45																		
15:00																		
15:15																		
15:30																		
15:45																		
16:00	Coffee Break/ Posters & Exhibits						Coffee Break/ Posters & Exhibits						Coffee Break/ Posters & Exhibits					
16:15																		
16:30	PS07 Maternal and Infant Lipid Nutrition – Lipids and PUFA in Neonatal Nutrition		PS08 Lipid Oxidation		DSM Science And Technology Award		PS15 Medium Chain FA, ketones: Basic science to clinical applications		PS16 Inflammation & Allergy		PS17 Lipid Mediators - Endocannabinoids		Omega-3 Workshop To be announced					
16:45													Closing Ceremony					
17:00																		
17:15																		
17:30																		
17:45																		
18:00																		
19:00 PM	Young Investigator Social Corporate Dinner						Open Evening						Closing Gala Dinner
